Campers will grow, learn and play through creative hands-on projects, developmental activities, hikes, fishing, gardening, crafts, games, cooking, and so much more!

Fox Creek Camp is here to give your child an unplugged camp experience by connecting with nature! We create a screen-free, unplugged zone with our electronics policy.

Campers are so busy with activities and friends all day that they simply don't have time to post, snap, or play on their favorite apps.

Our staff follow this policy when on duty too. Counselors keep phones in our office, and senior counselors carry them for safety purposes only.
